

Inn @ St Botolph

A unique approach to hospitality.

With a keen nod to its namesake, the patron saint of travelers, the Inn @ St. Botolph wraps a wealth of luxuries in an affordable package for discerning travelers. Like its sister hotel, the internationally acclaimed XV Beacon, the Inn @ St. Botolph offers understated contemporary interiors graced with traditional styling and comfort. The Inn @St Botolph is the perfect destination for business travellers or families desiring the intimacy of a private residence.

Guests enjoy the efficiency of online booking, virtual check-in and private, keyless entry with a state-of-the-art video intercom system. The hotel lounge is the perfect place to mingle and enjoy complimentary coffee and daily continental breakfast. Boston's finest dining, shopping and entertainment can be found just steps from our door. Guests will not find a more ideal accommodation and location from which to embark on their Boston adventures.

Where hotel meets home.
